

BRING HOME THE GOLD THIS SUMMER AT CHAMPIONS!

Champions Gold Medal Summer 2008

Six themes will be covered throughout the summer. Kids team-build, test their skills, celebrate our nation's traditions and their own, have fun with friends, learn how to support their bodies with good food and healthy lifestyle, and find the superstar within!

Join the Team

After fun welcoming ceremonies, kids rally round to design and create a team pledge, mascot and flag! It's just the beginning as they participate in a variety of team sports, all while learning to understand how their skills best help the team succeed.

Across the Finish Line

The fun goes off the charts as we learn about bikes, boats, and racing machines. Children explore traditional racing and zany forms with crazy rules and tons of obstacles that impact racing outcomes. Whether they're on foot, wheels, or water, the finish line awaits summer campers.

Fantastic Feats

What does it take to be a *real* sports star? We'll check out sports heroes and heroines whose great character matches their awesome performance. Kids will be challenged to dig down deep and find a great performance in themselves—and we will lighten it all up with wacky events!

Fuel for the Fire

Healthy living and healthy food drive the human machine—especially star athletes. Children find out that their sports heroes and heroines can't make it big on junk food, and neither can they! Kids explore super-charged foods, energy-packed snack choices and overall healthy living.

Let's go USA

Children will take some time to celebrate the USA, "touring" its landmarks and popular destinations—and appreciating everything it has to offer. We'll also celebrate our communities, learning about the joy we experience through traditions in our own neighborhoods.

I'm a Superstar

It all comes together here as children show off their talents and accomplishments in a fun setting, celebrating what makes them one-of-a-kind, unique and irreplaceable! Kids not only showcase and take pride in their own work, but recognize other children's talents

Guest speakers, field trips, and other special events will be scheduled throughout the summer. We also offer program enhancements such as character development, literacy, and fitness!
