- Tomorrow will be our final day to turn in any donation envelopes for our American Heart Association/Kids Heart Challenge.
- Thank you to all families who participated!

IMPORTANT COLD WEATHER REMINDERS

- Please send your student with a warm coat, snow pants, mittens/gloves, a hat and snow boots each day.
- If you need assistance with any of these items, please feel free to contact Mrs. Brickey in our school office.
- Our school policy is that recess will still occur daily, weather permitting as long as the "REAL FEEL" TEMP, which incorporates the wind chill, is above 20 degrees.
- If you child needs to stay inside for recess throughout the winter months, a note from their doctor describing the need for this is required.

8:15 AM DAILY ARRIVAL TIME

- At 8:15, students are able to enter the school building and may line up outside their classrooms --we do not have active supervision until 8:15 each and students should not arrive at school prior to 8:15 am each morning.

ARRIVAL & DISMISSAL PROCESS

- If you need a quick drop-off use the front parking lot for 30-second drop-offs. If you need to watch your child enter the school, please park and walk them to their grade level doors.
- Thank you to everyone for crossing at the cross-walk with the crossing guard and NOT crossing between the buses on Glenwood .
- Please take your time and do not speed through the parking lot. We must model patience for our students inside and outside of school--and safety is of utmost importance.

BIRTHDAY TREATS & PETS/REMINDERS

- We have a school-wide policy of not sending in any treats for student birthdays.
- Please do not bring pets, especially dogs, on school property at arrival or dismissal.

Thank you!
Kristen Brickey, Principal
